

# Harley-Davidson

**Hydra-Glide      1955**

**50 HP              74 cu in**

**Value              € 25.000**

**Panhead got its name from the form of the caps over the cylinder heads.**

**The Panhead engine was less heavy, more silent, could handle the heat better and offered a better top performance than its forerunner, the Knucklehead engine.**

**Not for sale**
